i just got a job he  
stocking shelves at a local  
department store. the work  
is mostly boring and the  
pay isn't all that great,  
but i rented a pretty  
interesting apartment,  
and i can watch the boats  
move slowly up and down  
the river which has  
caused me to consider  
moving a bit more grace-  
fully into my imagined  
sense of adulthood
